Line item 0001

- NSN: 4730-01-DEM-0421 · Item: coupling half, quick-disconnect, hydraulic, 3/4 inch
- Item description: P/N CFS-4112-9, Calder Fluid Systems Corp, CAGE 0DEM7 (approved source CAGE/part number buy; DLAD 52.217-9002 applies)
- AMC/AMSC: 1G
- Quantity: 480 EA · Unit of issue: EA · Quantity variance: none permitted
- Delivery: 45 days ARO requested · FOB: Destination · Inspection and acceptance: Destination
- Packaging: military packaging per MIL-STD-2073-1E, marking per MIL-STD-129R (standard text RP001)
- Higher-level quality: ISO 9001:2015 (RQ042) cited
- Export control: none cited (no RQ032) · Surplus: not solicited · Hazmat: none
- NAICS: 332912, size standard 1,000 employees
- Traceability: procurement note C03 applies (retain supply chain traceability documentation)
